9.10 To facilitate entering the Estate, residents are requested where possible to advise security in advance of large groups of visitors by contacting the control room with their relevant particulars.

9.11 Deliberate obstruction of access and egress to/from the Estate is prohibited.

10. BUILT BY DATE

10.1 A purchaser of an Erf or Erven undertakes to commence construction and ensure completion thereof in accordance with the architectural guidelines referred to in the Memorandum of Incorporation (MOI) within a period of eighteen (18) months of registration of the Erf or Erven and failing to complete the building within such period will result in a fine of twice of the levy payable being imposed each month of delay. The Board may in addition thereto impose a monthly levy equivalent to quadruple of the monthly levy if such building (whether construction has commenced or not) is not fully completed within thirty (30) months of registration of transfer. Final completion will be determined by the architectural review committee as evidenced by a certificate being issued by a duly qualified architect whose decision in this regard is final and binding. Reference to building includes a cluster development, sectional title development, a residence or any construction whether completed or in the process of completion.

10.2 Buildings which are wholly or partially unconstructed on an erf or erven, currently registered in the name of the owner thereof must be completed by no later than 1st January 2020 failing which a penalty of twice of the monthly levy will be imposed for a period of six months and thereafter the Board may in addition thereto impose a monthly levy equivalent to quadruple of the monthly levy until such time as the building is fully completed in accordance with the provisions contained in 22.2 as per the Memorandum of Incorporation. Building plans in respect of the buildings referred to herein must be submitted and approved on or before 1st June 2019.

11. AESTHETIC AND CONSTRUCTION RULES

Please note the fines schedule for in the event of any person contravening or failing to comply with or being deemed to have contravened or failed to comply with any provision of section 11 of these House Rules.

11.1 The Association's Architectural Review committee will assess building plan submissions with specific regards to aesthetics and compliance with the Association's Architectural Guidelines.

11.2 The relevant Local Authority will ultimately remain responsible for the final approval of all building plans in terms of Local Authority and other regulations. The Association accepts no responsibility for approved plans, other than for approval of compliance with the Architectural Guidelines and aesthetic requirements.

11.3 All building plans (including building plans in respect of any additions and/or alterations to existing structures, dwellings or outbuildings) shall be prepared in accordance with the architectural Rules and must be approved by the Association prior to the submission to the Local Authority for approval and commencement of any construction work. Members may not seek any plan approval from the Local Authority without the prior approval of the plans by the Association with regards to compliance with the Estate Guidelines. Clearance certificates will not be issued by the Association for properties that do not comply with the Guidelines.

11.4 In the event that construction in terms of any plans approved by the Association does not commence within twelve (12) months of date of the approval thereof by the Association, such approval shall lapse and the Member shall be required to resubmit plans for approval to the Association and Local Authority. If there was a change of ownership of an adjacent affected property, the written comments (signing of building plans and application forms) of the new Member shall be obtained. In the event of such resubmission, the prescribed plan scrutiny fees shall be

payable.

- 11.5 Members may not commence construction work without the prior approval of the plans by both the Association and thereafter the Local Authority. Construction work may only commence once a complete site handover has been conducted by the Association and the appointed Contractor.
- 11.6 Members may not deviate from approved building plans. Should any deviation or amendment be contemplated or become necessary to any building plans after such plans have been approved, building activity must be ceased and the Association is to be notified forthwith and amended plans, clearly setting out the nature of the deviation and/or amendment shall be submitted for approval to the Association and Local Authority. Additional plan scrutiny fees shall be payable.
- 11.7 Upon completion of all construction work, and prior to the release of the contractor's deposit, the Member shall complete the prescribed form and arrange for a final inspection of the work by the Association
- 11.8 The Member shall only be entitled to a refund of the contractor's deposit once a certificate of practical completion of the works has been formally issued by the architect or an Occupation Certificate has been issued by the Local Authority.
- 11.9 Occupation is only being permitted once an Occupation Certificate has been obtained from the Local Authority and a copy must be lodged forthwith with the Association.
- 11.10 The Association has the right to suspend any building activity that is in contravention of any of the Rules, and shall not be liable for any losses, damages or claims whatsoever sustained by a Member, resident, contractor or subcontractor as a result thereof; in addition, Members agree that the Association has the right to prevent or restrict access to the Estate to contractors due to material non-compliance of the Rules.
- 11.11 The Rules governing construction activity are binding on all Members, residents, their contractors and subcontractors.
- 11.12 Members are obliged to ensure and assume responsibility that their building contractors are made aware of the Rules and that same are strictly complied with and will be held liable jointly and severally for any penalties issued.
- 11.13 All Members, residents, contractors and subcontractors who undertake any construction activity are required to complete the prescribed application and/or registration forms and submit same with payment of the relevant fees and deposits to the Association prior to commencing with any construction activity.
- 11.14 Unless otherwise agreed to by the Association or its appointed representative, construction activity is limited to the following hours:

Monday to Friday	06:00 to 18:00
Saturday	08:00 to 13:00
- 11.15 The Member and the contractor shall be liable for damage to pavements, curbstones, roads, vegetation on the road reserve, and damage to private or Association property.
- 11.16 Should the Association have any reasonable reservations with regard to the conduct of the contractor and/or subcontractor (including their employees), the Association reserves the right to suspend all building activity until such time that such conduct is rectified which it may do at any time on notice to the Member, contractor and/or subcontractor, all of whom shall have no recourse against the Association in this regard.
- 11.17 The Association shall be entitled to levy applicable penalties as per the Contractors agreement against Members, contractors and/or subcontractors with respect to contravention of any of the Rules.

- 11.18 The Association has the right to deny or limit access to the Estate to any contractor or subcontractor in breach of the Rules; each contractor and subcontractor, by the acceptance of the Rules hereby waives any right of retention that they may have over their construction work, material and the like for purposes of the Rules, insofar as the Association is concerned.
- 11.19 Furthermore, the right of the Association to restrict access to a contractor or subcontractor, as aforementioned, applies to the entire Estate, notwithstanding the fact that any such contractor and/or subcontractor is building on more than one site within the Estate and that any breach has been committed with respect to only one such site.
- 11.20 No blasting with the use of explosives may take place anywhere in the Estate.
- 11.21 The undisturbed area within a residential property as approved on the site layout plan of the property must strictly be treated as an undisturbed area and no building activities may take place within this area.
